**2008 Food Allergy & Anaphylaxis Network (FAAN)**

***Walk for Food Allergy: Moving  
Toward A Cure***

**in Pittsburgh, at Hartwood Acres.**

**Twelve million Americans** have food allergies, and about **112,000 children** in Pennsylvania cope with food allergies daily. Severe reactions result in more than **30,000 trips to emergency rooms** and an estimated **150 to 200 deaths occur each year in the United States** alone (58 % between the ages of 13 and 30). There is currently **NO CURE** for food allergies.

**For more information on FAAN  
and to register for this event go to [www.foodallergywalk.org](http://www.foodallergywalk.org)**
